A MESSAGE FROM THE PRESIDENT

2013...the new year is well underway! It will be great to see all of you again on February 4th @ 5:45 to enjoy a great program for a new year. It is called "Putting Your Best Face Forward". It's about self-improvement and we can all use some of that!

The February meeting will also have some very "tasty" treats to share from our Gamma Zeta cookbook. Of course, remembering it is the month of Valentine's we also have some

ideas on how to share the "love" with our mentee teachers.

The amazing executive board met at my home on Saturday, Jan. 19th. There were 10 of us together and many great ideas were shared and some decisions made we hope will continue to make Gamma Zeta meaningful, relevant, and fun for all. If our members are excited about what we are doing, we will be more likely to invite others and hopefully our visitors will experience the fun and see us fulfilling our purposes in such a way that they, too, want to be a part of Gamma Zeta and help make a difference in the lives of children of all ages.

I can't help but still smile when I reflect on the fun we had in December as I think of how we shared with "Friends, Old and New." The memorial for Eloise, the initiation of Carol, the inspirational sharing with three of our mentee teachers and two of their SISD mentors who were with us, the craft Joanne had us make, and finally ending with the joyous singing of "Jingle Bell Rock" led by Cathy. We make a difference in the lives of women educators of all ages AND we have lots of fun doing it together!

I urge you to check out all the websites and share our local one when you are referring others who might want to know more about what we do.

See you soon...bring a guest...let's see what kind of "face" we'll learn about in February!

Love you all,
 Cheryl Konz, President
